On July 8, 2021, at approximately 11:45 PM, I was on patrol on Elmwood Avenue, in the City of Providence. At this time, I observed a dark colored BMW approaching my location, without a front license plate. I conducted a u-turn and observed the vehicle quickly pull into the gas station parking lot at the intersection of Elmwood Avenue and Potters Avenue. I pulled behind the vehicle, which I observed to have a rear Wyoming registration # [REDACTED] and activated my overhead lights. I approached the vehicle and observed the operator roll his window down slightly. I observed the light skinned black male operator look back towards me, then place the vehicle in drive and flee from the scene. I observed the vehicle exit the parking lot and turn left onto Potters Avenue. As I returned to my cruiser, I observed that a Providence Police cruiser was now directly behind the BMW, attempting to conduct a motor vehicle stop as it began to elude him as well. The vehicle continued down Potters Avenue, and I lost sight of it and the Providence cruisers after it had turned left on Ninigret or Puritan Street. Shortly thereafter, I observed that it was entering onto Route 10 North from Huntington Avenue, with two Providence cruisers behind it. At this time, I notified the Lincoln Woods Barracks of the above and never regained sight of the vehicle. I followed the two Providence cruisers off Route 6 East, to Dean Street, and to the intersection of Valley Street, where they had advised me that they also lost sight of the suspect vehicle. I notified them that I had only attempted to stop the vehicle for motor vehicle violations.

At 11:50 PM, Trooper Donovan advised over North Zone, that she had observed the suspect vehicle on Westminster Street, traveling towards Manton Avenue but lost sight of it. 11:59 AM, Trooper J. D'Angelo advised by a Providence Police officer that the vehicle had possibly been involved in a shooting earlier in the day. This was then relayed to the North Zone. At 12:55 AM, Providence Police broadcast for the same vehicle [REDACTED] traveling in Olneyville, which attempted to strike a Providence officer and displayed a rifle style gun out of the window, possibly a BB gun. At approximately 1:23 AM, the Providence Police Department advises that they are in pursuit of the vehicle, which had just been involved in another incident on North Main Street, where a rifle style gun was seen by a Brown University transit employee. I was scanning the Providence Police Department's radio and one of their officers in charge stated that they would now have Assault with a Deadly Weapon charges on the occupants of the vehicle. Members of the Providence Police Department actively pursued the vehicle from the time of 1:23 AM until the 2:03 AM, where it crashed at the intersection of King Street and Salmon Street, in the City of Providence. At no time were any Troopers the lead car in the pursuit or even remotely close to the suspect vehicle, as the Providence Police Department had multiple cruisers directly behind it. Their pursuit occurred on Routes 146, Route 95, Route 195 and Route 6, in the Cities of Providence and Pawtucket and on the secondary roads in the Cities/Towns of Providence, Pawtucket and Johnston.

The Providence Police Department took the three occupants of the vehicle into custody at the scene. Troopers were not involved in placing anyone into custody. Two rifle style BB guns were found in the vehicle. The operator of the vehicle was identified as [REDACTED] DOB: [REDACTED]. The two passengers were identified as [REDACTED] DOB: [REDACTED] and [REDACTED] DOB: [REDACTED]. All three were charged with Assault with a Deadly Weapon and Conspiracy. In addition, [REDACTED] was charged with Reckless Driving/Eluding.

NOTHING FURTHER TO REPORT.

Najarian Narrative

On Thursday 07/08/2021 at approximately 2343 hours, Providence Police advised dispatch that the RI State Police attempted to stop a black BMW with tinted windows and a Wyoming license plate when the vehicle abruptly took off on them in the area of Potters Avenue and Anthony Street causing them to lose sight of the vehicle. Patrolman Voyer observed the vehicle traveling outbound on Cranston Street approaching the area of Huntington Avenue. The vehicle then turned right onto Route 10 North and proceeded to travel at a high rate of speed; Car 300 advised not to pursue the vehicle. Patrolman Voyer then advised dispatch that this vehicle matched the description of vehicle involved in a recent shots fired incident in the area of Julian Street.

Police were then dispatched to the area of 10 prospect Street for a report of a Brown University Shuttle driver later identified as ██████████ ██████████, 401-██████████) who just had a rifle pointed at her from a vehicle. The female subject described the vehicle as a black BMW with tinted windows and a Wyoming license plate which was last seen heading toward the area of Olney Street. Edmonds was later transported to central station to leave written statement for detectives.

I Patrolman Najarian was traveling inbound on North Main Street approaching the area of Olney Street when I observed a black vehicle turn onto North Main Street from Olney Street and turn right into the parking lot of 649 North Main Street. I drove into the parking lot and observed the black vehicle to be the suspect vehicle involved in the above-mentioned felony assault. I attempted to pull up behind the vehicle where I observed it to be a convertible with the roof open and the tinted windows rolled up. The black BMW then sped off taking a left turn back toward the exit onto North Main Street, I advised dispatch that a bald male subject wearing a blue headband had just stood up inside the vehicle, turned around, and pointed a firearm at me.

The vehicle then turned right onto North Main Street and proceeded to head outbound at a high rate of speed I activated my overhead lights and audible sirens and attempted to stop the vehicle. The BMW took an abrupt left turn onto Randall Street swerving into the opposite lane before regaining control again. The BMW then took a right turn onto Charles Street traveling towards Corliss Street, approaching the area of West River Street. The vehicle proceeded to travel on Charles street passing Loretto street where it took a left turn onto Branch avenue neglecting the clearly marked traffic control devices which were marked red at this time. The BMW passed Oppper Street and took a left turn onto the on ramp of 146 south, the suspect vehicle merged onto 146 South where it continued to pick up speed and operate in a reckless manner passing the Admiral Street exit while merging onto 95 south weaving in and out of traffic causing vehicles to slow and nearly come into collision with each other. I briefly lost sight of the vehicle where I observed the operator attempt to merge onto Route 6 but instead continue to travel on 95 South. The BMW continued to travel at a high rate of speed through a construction zone now passing Exit 20. The BMW then merged right crossing two lanes of traffic and merged onto 195 East towards East Providence. I again briefly lost sight of the vehicle where I regained sight of it passing the Gano Street Exit.

Once the BMW passed Exit 1B I again lost sight of the vehicle and could not observe it anywhere on 195 East. I then deactivated my overhead lights and sirens.

A few moments later Patrolwoman Fernandez advised dispatch that she observed the aforementioned vehicle traveling at a high rate

of speed on Dorrance and Washington Street, passing Kennedy Plaza. At this time, she began to pursue the vehicle, while broadcasting her direction of travel via Channel 1. She followed it for a few streets before she lost sight of it in the area of Promenade Street. Patrolwoman Sanchez was in the area of Hartford Avenue when she merged onto Route 6 and came behind the Suspect vehicle who was operating at a high-speed on Route 6 West, she observed the BMW passing vehicles and weaving through traffic. The operator then merged onto Route 95 North while continuing to operate in a reckless manner. The vehicle then took Exit 28 into Pawtucket where he continued to maneuver his vehicle in a reckless manner neglecting the clearly marked and unobstructed stop signs and red traffic lights on School St. While on School Street the vehicle turned right into a parking lot to elude police; the operator barley struck Patrolmen Manown who had gotten out of his cruiser to get the driver to stop. The vehicle then merged back onto School Street now operating the wrong way. The BMW then merged back onto 95 South where it too Exit 25 onto Silver Spring Street, a right onto Branch Avenue, and a left onto Hawkins Street.

The BMW then turned onto Admiral Street, left onto Douglas Avenue, right onto Eaton Street, left onto Pembroke Avenue, right onto Smith Street, left on Whitford Avenue, left onto Academy Avenue, right onto Atwells Avenue, left on Manton Avenue, right on Salmon Street, left on Richland Street, and a right on Salmon Street.

Patrolman Urizar took over the pursuit at the Exit 26 on ramp to I-95N, he proceeded to pursue the vehicle on 95 S towards Exit 25 to Smithfield Avenue. He broadcasted over channel 1 that the vehicle took a right turn onto Smithfield Avenue towards Silver Spring Street. The vehicle then proceeded to take a left turn onto Silver Spring Street. The vehicle then continued to travel southbound on Silver Spring St towards Branch Avenue. The vehicle then took a right turn onto Branch Avenue (outbound) still traveling at a high rate of speed. The vehicle then passed the intersection of Branch and Charles Street while still traveling outbound on Branch Avenue. The vehicle then took a left turn onto Hawkins Street towards the School of the Deaf and Yorkshire Street. The vehicle was then traveling on Hawkins Street towards Admiral Street before taking a left turn onto Admiral Street (outbound) and then a left turn onto Douglas Avenue (inbound). The pursuit then continued on Douglas Avenue (inbound) towards Eaton Street, taking a right turn onto Eaton Street. The vehicle then proceeded to travel on Eaton Street and then took an abrupt left turn on Pembroke Avenue. The vehicle then continued to drive on Pembroke Avenue, passing Chad Brown Street, taking right turn onto Smith Street. The vehicle then continued to travel outbound on Smith Street before taking a left turn onto Wyndham Avenue and then taking a right turn onto Whitford Avenue, the vehicle then took a right turn onto Sharon Street, a left turn onto Wabun Avenue, a left turn onto Academy Avenue. Once on Academy Avenue, the vehicle traveled inbound before taking a right turn onto Whitford Avenue, then taking a left turn onto Home Avenue and then a right turn again onto Whitford Avenue. The vehicle then proceeded to travel northbound on Whitford Avenue, a left turn onto Mount Pleasant Avenue. The vehicle then proceeded to travel inbound on Mount Pleasant Avenue, passing Chalkstone Avenue and eventually taking a right turn onto Montrose Street. Once traveling on Montrose Avenue, the vehicle then took a left turn onto Erastus Street, a right turn onto Atwells Avenue (outbound). The vehicle then traveled to Manton Avenue, a left turn onto Manton Avenue and then a right turn onto Salmon Street. He then proceeded to pursue the vehicle around the parking lots of the Salmon Street apartments before going back onto Salmon Street towards Manton Avenue.

then traveled onto Salmon Street pulling into the parking lot of Manton Heights when I observed the vehicle drive towards me while being followed by marked cruisers with their overhead lights and sirens, I reversed my vehicle to avoid being struck head on by the BMW. Once the BMW passed me I maneuvered behind the vehicle, turned right out of the parking lot of Salmon Street and then turn left towards Manton Avenue. I observed the vehicle mount the Curb at the intersection of King Street and Salmon Street and come into collision with a fire hydrant which caused the vehicle to disable. I exited my marked cruiser, drew my department issued firearm and ordered the driver and occupants to keep their hands up in which they complied. I re-holstered my department issued firearm, opened the front driver door and observed a bald light skinned male subject later identified as () sitting in the operator seat. I escorted () out the vehicle and brought him to the ground where he was placed into handcuffs by additional officers on scene. Additional officers then escorted the remaining two occupants out of the vehicle, () and () where they were brought to the ground and placed into handcuffs.

Police observed two BB Gun rifles resting over the middle console of the vehicle, along with a black ski mask and blue durag skullcap on the ground next to the driver's side door of the BMW. These items were seized by BCI.

The Black BMW () bearing Wyoming registration () was checked via Channel 4 which revealed it negative stolen or wanted and was towed from the scene by Grassos Towing.

() was transported by Providence Rescue to Hasbro Children's Hospital for injuries he sustained from the collision.

At approximately 0200 hours Car 331 patrolwoman Sanchez was driving cruiser 329, when at the intersection of Salmon Street and Richland Street she came into collision with Patrolman Ramalho Car 372 who was driving cruiser 763. Patrolman Ramalho and Patrolwoman Sanchez were driving opposite directions on Salmon Street towards each other when Ramalho came to a stop to avoid getting struck head on by multiple vehicles including the vehicle that was being pursued. Ramalho turned onto Richland Street to avoid being struck. Patrolwoman Sanchez turned right and the front left bumper cover of her vehicle came into collision with the left rear bumper cover of Cruiser 329.

On 07/09/2021 at approximately 0128 hours, while in pursuit of a black BMW (WY Reg. [REDACTED]) which was a suspect vehicle involved in multiple ADW's in the city, as well as an ADW on a police officer. At this time, I observed the suspect vehicle to have collided with a fire hydrant. I then observed one of the passengers later identified as [REDACTED] (DOB [REDACTED]) exit the front passenger area of the vehicle. I then approached [REDACTED] and gave loud verbal commands to place his hand behind his back to which he did not comply and began to conceal his hands underneath his torso as he tensed up his body. At this time, I delivered several open hands strikes to [REDACTED] right abdomen side in order to gain control and affect arrest. I filled out a witness statement.

On 7/9/2021 at approximately 01:28 hours, while in pursuit of a black BMW (WY REG: [REDACTED]) which was a suspect vehicle involved in multiple ADW's in the city, as well as an ADW on a police officer. I maneuvered my marked patrol cruiser behind the suspect vehicle in the area of 35 Salmon St as it operated on Salmon St towards King St. The suspect vehicle had previously sustained heavy damage to the front right tire causing it to travel at a low speed. I pursued the vehicle on Salmon St as it was approaching the intersection of Salmon St and King St. The vehicle came to an abrupt halt as it crashed into the curb at the intersection. At this time, I stopped my marked police cruiser behind the vehicle. I exited my marked police cruiser with my department issued weapon drawn. I gave multiple loud verbal commands for all occupants to show their hands. I approached the front seat passenger side of the vehicle and observed the front seat passenger, identified as [REDACTED] (DOB: [REDACTED]), to have a fanny pack slung across the front side of his torso. I opened the door and removed [REDACTED]. I took [REDACTED] to the ground and attempted to place him in a prone position. I gave him loud verbal commands to place his hands behind his back in which he did not comply as he tensed his body and concealed his hands underneath his torso. Due to the nature of the call and not knowing if he was attempting to retrieve a weapon from the fanny pack, I delivered multiple open hand strikes to [REDACTED] body while continuing to issue loud verbal commands for him to place his hands behind his back. At this time, multiple units arrived on scene to assist and [REDACTED] was taken into custody.

Police were then dispatched to the area of 10 prospect Street for a report of a Brown University Shuttle driver (who was later transported to central station to speak with detectives) who just had a rifle pointed at her from a vehicle. The female subject described the vehicle as a black BMW with tinted windows and a Wyoming license plate which was last seen heading toward the area of Olney Street.

I Patrolman Najarian was traveling inbound on North Main Street approaching the area of Olney Street when I observed a black vehicle turn onto North Main Street from Olney Street and turn right into the parking lot of 649 North Main Street. I drove into the parking lot and observed the black vehicle to be the suspect vehicle involved in the above-mentioned felony assault. I attempted to pull up behind the vehicle where I observed it to be a convertible with the roof open and the tinted windows rolled up. The black BMW then sped off taking a left turn back toward the exit onto North Main Street, I advised dispatch that a bald male subject wearing a blue headband had just stood up inside the vehicle, turned around, and pointed a firearm at me.

The vehicle then turned right onto North Main Street and proceeded to head outbound at a high rate of speed I activated my overhead lights and audible sirens and attempted to stop the vehicle. The BMW took an abrupt left turn onto Randall Street swerving into the opposite lane before regaining control again. The BMW then took a right turn onto Charles Street traveling towards Corliss Street, approaching the area of West River Street. The vehicle proceeded to travel on Charles street passing Loretto street where it took a left turn onto Branch avenue neglecting the clearly marked traffic control devices which were marked red at this time. The BMW passed Opper Street and took a left turn onto the on ramp of 146 south, the suspect vehicle merged onto 146 South where it continued to pick up speed and operate in a reckless manner passing the Admiral Street exit while merging onto 95 south weaving in and out of traffic causing vehicles to slow and nearly come into collision with each other. I briefly lost sight of the vehicle where I observed the operator attempt to merge onto Route 6 but instead continue to travel on 95 South. The BMW continued to travel at a high rate of speed through a construction zone now passing Exit 20. The BMW then merged right crossing two lanes of traffic and

merged onto 195 East towards East Providence. I again briefly lost sight of the vehicle where I regained sight of it passing the Gano Street Exit. Once the BMW passed Exit 1B I again lost sight of the vehicle and could not observe it anywhere on 195 East. I then deactivated my overhead lights and sirens.

I continued to monitor numerous broadcasts in regards to the suspect vehicle. I made my way to the area of Manton Avenue and turned onto Salmon Street pulling into the parking lot of Manton Heights when I observed the vehicle drive towards me while being followed by marked cruisers with their overhead lights and sirens, I reversed my vehicle to avoid being struck head on by the BMW. Once the BMW passed me I maneuvered behind the vehicle, turned right out of the parking lot of Salmon Street and then turn left towards Manton Avenue. I observed the vehicle mount the Curb at the intersection of King Street and Salmon Street and come into collision with a fire hydrant which caused the vehicle to disable. I exited my marked cruiser, drew my department issued firearm and ordered the driver and occupants to keep their hands up in which they complied. I re-holstered my department issued firearm, opened the front driver door and observed a bald light skinned male subject later identified as [REDACTED] ([REDACTED]) sitting in the operator seat. I escorted [REDACTED] out the vehicle and brought him to the ground where he was placed into handcuffs by additional officers on scene.

STATE OF RHODE ISLAND UNIFORM CRASH REPORT
Narrative/Diagram Supplemental

On Friday, July 09, 2021 at approximately 02:15 hours Police (Car 632, Ptlm. Endres #220) were dispatched to the area of Salmon St for the report of a two car city involved motor vehicle accident with no injuries.

Upon arrival Police met with the Officers involved in the accident, Ramalho and Sanchez. This accident stemmed from a motor vehicle pursuit that spanned multiple jurisdictions. Please refer to AEGIS 21-52314 for further information.

Patrolwoman Sanchez (Car 331, Vehicle #2) in charge of Police registration 329 (2020 Ford Explored, 5952 miles) stated she was operating east on Richland St following a group of Police vehicles engaged in the pursuit with her emergency lights and siren activated. While approaching the intersection with Salmon St, vehicle #1 suddenly backed into her direction of travel. Sanchez stated she applied the brakes however could not stop her vehicle in time. She subsequently struck the rear driver's side quarter panel/door with the front driver's side bumper of her vehicle. Vehicle #2 sustained a large crack to the lower front driver's side bumper which pushed the bumper up towards the driver's side headlight. This impact also caused the front driver's side wheel well trim to become dislodged however it remained on the vehicle. Sanchez stated she was wearing her seatbelt

Patrolman Ramalho (Car 372, Vehicle #1) in charge of Police registration 763 (2017 Ford Explorer, 60543 miles) stated he was operating west on Richland St with his emergency lights and sirens activated. At this time the pursuit was coming towards him in the opposite direction. The suspect vehicle and three Police vehicles passed his location, east on Richland St. Ramalho stated there was a small break in the line of Police vehicles so he decided to reverse in a southerly direction onto Salmon St. Ramalho advised his intention to reverse on Salmon St was to get out of the way of the oncoming Police vehicles. Ramalho stated he began to reverse and believed vehicle #2 would go in front of his vehicle, however vehicle #2 went towards the rear, striking the rear driver's side quarter panel. Vehicle #1 sustained a large dent near the bottom of the rear driver's side door, a large dent to the bottom of the rear driver's side quarter panel and a large dent to the rear driver's side bumper. Black scrape marks were observed throughout these damaged areas. Ramalho advised that he was wearing his seatbelt.

Both vehicles were able to be driven from the scene. BCI responded and photographed the damage. Lieutenants Jennette, O'Brien and Sergeants Greene, Clary, Kennedy, Troia and Perez were on scene.

There were no other injuries reported and no disinterested witnesses approached police.

Vehicle #1 sustained damage to the Rear Driver Side(7) and was driven from the scene by the operator.

Vehicle #2 sustained damage to the Front Driver Side(11) and was driven from the scene by the operator.

At the time of this investigation the weather was Clear, the road surface was Dry and the light condition was Dark - Lighted.

This crash report was created on 7/9/2021 by Kyle Endres badge #220.

YSB Supplement 1 Det. Ramos

On Saturday, July 31, 2021, I, Detective Ramos, responded to "I like Your Style" clothing store located at 80 Manton Avenue and met with the owner identified as [REDACTED] (DOB [REDACTED]), cellular number [REDACTED]

An audio recorded statement was obtained in which Mr. [REDACTED] stated at approximately 1900 hours on the evening of Thursday, July 8, 2021, a Black SUV with dark tint parked in front of his store. Shortly after, Mr. [REDACTED] observed three objects enter the store, two of which emanated blue and yellow smoke individually; the third one never ignited. Mr. [REDACTED] stated he was able to successfully kick the smoke bombs outside and opened the door for ventilation. Upon exiting his store, he confronted the Black SUV which was being operated by a light skinned Hispanic male, with something on his head that appeared to be a recording device. The vehicle was also occupied by a dark-skinned male subject located in the front seat passenger, who was completely reclined. Mr. [REDACTED] asked the subjects to stop and why they were doing that, but the subjects did not answer; instead they ignited a smoke bomb each and threw them in his direction. Fortunately, they failed to completely ignite. As he begged for them to stop, the front passenger was observed speaking towards the backseat, to what he assumed was another passenger. It was at this point the driver threw what appeared to be some sort of smoking pipe at him nearly striking him. Mr. [REDACTED] attempted to obtain the license plate number, but each time the vehicle either reversed or drove forward, so that he could not. Narrative

On 07/08/21 at approximately 2016 hours, I responded to Charles and Admiral for a possible shots fired. Upon arrival, I spoke with [REDACTED] who was sitting in the drivers seat of his Bond work truck bearing MA reg [REDACTED] when his rear driver side window was shot out. [REDACTED] stated that the shooter was a Hispanic male with a pump action BB gun and was in a black SUV, a Nissan Armada, bearing RI reg [REDACTED]

It should be noted that RI reg [REDACTED] comes back to a Nissan Armada which is currently reported stolen.

[REDACTED] stated that the Armada then took a left onto Admiral and fled the scene.

YSB Detective O.R Proctor Supplement I

On July 12, 2021 at approximately 2031hrs reporting Detective spoke to John Jackson (Corporate Security), for National Grid via landline. Jackson advised me one of his subcontractors for Bond Brothers was shot at on July 8, 2021.

Jackson, advised me that he heard a few kids were arrested regarding a BB-Gun incident and wanted to see if the individuals were connected to this case.

At the time of the call, I advised Jackson we are currently investigated several cases involving BB-Gun incidents and I will reach out to the original complainant, for a follow up regarding the case. Nothing further to report.

YSB Detective O.R Proctor Supplement II

On July 19, 2021 at approximately 2055hrs, reporting Detective was able to contact [REDACTED] (DOB [REDACTED]), via landline. Matthews advised me, that he would not be able to identify the subject responsible for shooting at him if he seen the person again, because it "happened so quick". He advised that there were possibly 2 subjects in the vehicle at the time of the incident, but could not provide a description.

[REDACTED] advised me that, through my investigation if the subject that is responsible for shooting at him is identified, he would like to pursue a complaint.

BCI- Vehicle search warrant

On 7/22/21 at 2000hrs BCI Det Clift responded to the BCI Garage along with Sgt Papa to conduct a search warrant on RI Registration [REDACTED] a 2015 Nissan Armada SUV Vin# [REDACTED] that was secured in the BCI garage earlier in the day by detectives pending a search warrant. The vehicle was marked as evidence item (#1) for examination purposes. The exterior of the vehicle was photographed and no damage was observed except a bent license plate on the front. The exterior of the vehicle had a layer of dust covering the vehicle. The exterior doors and windows were examined with black powder but no latent prints of value were enhanced. Watermarks were observed on the entire exterior of the vehicle and the vehicle appears to have been either sprayed with water or left out in the rain. No evidence was recovered from the exterior. The interior of the vehicle was then photographed and examined. Both front seats were reclined back and several items were seized for further examination. Swabs were taken for possible DNA from all four door handles, the steering wheel, the gear shift, and the driver's headrest. The following items were also recovered from the interior for further examination:

#1i1- SWAB-from interior driver's door handle

The officer stated that the vehicle was traveling out-bound on Admiral St. after shooting the window out on a vehicle that was parked on Charles St.

As Ptlm. Northup made his way to the general area of Admiral St. and Chad Brown St., police dispatch advised units of another call made to 911 for a black SUV shooting at vehicles with a BB gun at the intersection of Douglas Ave. and Whipple St.

Shortly after this broadcast was made, Car 265; Sgt. [REDACTED] wasn't able to state what the driver said, or if the driver said anything beyond the laughter. The driver then proceeded to point a black and brown "Farm style" firearm at her.

[REDACTED] continued to state the driver was Hispanic with brown hair, and that there was a passenger in the front seat, but had the seat tilted back, making it so she couldn't see the passenger.

The SUV then fled the scene out-bound on Chalkstone Ave., and [REDACTED] approached Sgt. Troia.

Det. Guerra responded to the scene and spoke with [REDACTED]

[REDACTED] was then transported to her residence over the line in North Providence by Ptlm. Northup TOT Detectives for further investigation.

On 7/8/21 at approximately 2029 hours I was dispatched to 11 Dearborn St for a report of subjects shot by a BB gun. Dispatch advised the responding cars that a black Nissan SUV was fleeing the scene and responsible for the assault.

As I was in route I observed a black Nissan SUV operating inbound on Manton Ave. At this time I attempted to perform a traffic stop at which time the vehicle fled onto Hartford Ave eventually turning onto Rt 6 east. I then responded back to Dearborn St where I met with three victims. I first spoke with [REDACTED] who stated he was shot in his left temple with a BB gun while sitting in his work truck. [REDACTED] stated to me he was sitting in his truck when a black SUV pulled up to the business and two subjects exited the vehicle with long rifles. One subject then pointed the rifle at [REDACTED] and fired which shattered his driver side window. [REDACTED] was subsequently struck in the face a BB. As [REDACTED] was engaged with one suspect the other suspect began to chase and fire at two other workers, [REDACTED] and [REDACTED]. [REDACTED] was struck in his left arm as he attempted to flee.

All three victims stated they were chased around their work lot for approximately five minutes by the two suspects. At one point the victims fled into a loading bay and locked themselves behind a door and called 911. [REDACTED] stated to me that when they were locked behind the door he could observe the two suspects standing on the other side on the door with the long rifles pointed at the door. Upon hearing the 911 call being placed the subjects fled the area in the black SUV.

I then was dispatched to [REDACTED] Manton Ave where I met with two additional victims. These victims, [REDACTED] and [REDACTED], who stated they were walking on Manton Ave when a black SUV drove by and a rifle was pointed at the window in their direction. The [REDACTED] stated they heard loud popping and soon realized they were struck. [REDACTED] was struck in the face and left chest and [REDACTED] was struck in the left arm. They were treated on scene by rescue and left the area.

Det Guerra was on scene.

Detective M. Guerra Supplement

On Thursday, July 8, 2021 at approximately 2130 hours, Ptlm. Campbell notified Detective Guerra in regards to a felony assault that occurred at [REDACTED] Dearborn Street. Detective Guerra responded to the scene and met with two of the victims who were identified as [REDACTED] (DOB [REDACTED]) and [REDACTED] (DOB [REDACTED]).

Mr. [REDACTED] stated that Mr. [REDACTED] two other co-workers who were identified as [REDACTED] (DOB [REDACTED]) and [REDACTED] and himself were all outside in the parking lot of Narragansett Creamery having a debrief. While they were talking Mr. [REDACTED] observed a black colored SUV stop on Dearborn Street in front of the entrance to the parking lot. Mr. [REDACTED] observed a subject exit from the driver side of the vehicle who he described as being a medium skinned Hispanic male, approximately 16-24 years of age, 5'7" – 5'10", average build, weighing 160-180lbs. Mr. [REDACTED] observed this suspect point a brown colored rifle towards him and his coworkers. Mr. [REDACTED] stated that he observed a second suspect but was unable to obtain a good description of him but believed he was a medium skinned Hispanic male with longer hair that was nearly shoulder length. Mr. [REDACTED] stated he was then shot a bullet which was determined to be a BB gun in the left forearm. Mr. [REDACTED] stated upon being hit he ran into the yard and hid behind a unit. Mr. [REDACTED] stated when he was hiding he noticed that the two suspects were going after his co-workers with the BB gun rifles at which time he took the opportunity to flee into the milk bay with large double doors which were open due to a delivery. Mr. [REDACTED] stated that when he ran in there Mr. [REDACTED] followed him and they both hid in back rooms when they observed the suspects pursue them inside of the milk bay. Mr. [REDACTED] stated while he was hiding in the back room he observed through the crack in the door one of the suspects pointing the rifle at the door. Mr. [REDACTED] stated at this time he contacted police and both suspects fled upon hearing that phone call.

Detective Guerra then spoke with Mr. [REDACTED] who provided a similar account to what Mr. [REDACTED] stated. Mr. [REDACTED] stated that he was not struck by any BB's during this incident but was shot at several times.

Detective Guerra obtained audio statements from Mr. [REDACTED] and Mr. [REDACTED] each stated that they wished to pursue charges against the suspects responsible for this incident. Detective Guerra observed a puncture wound to Mr. [REDACTED] left forearm from the BB and photographed it as evidence. Mr. [REDACTED] stated that there is surveillance footage that captured this incident which he stated he would provide to Detective Guerra on 07/09/2021.

At the time of the investigation conducted by Detective Guerra, the two other victims, Mr. [REDACTED] and Mr. [REDACTED] were no longer on scene. Mr. [REDACTED] stated that Mr. [REDACTED] was shot in his left temple with a BB.

Narrative

On Saturday, July 10th, 2021 at approximately 1853hrs, I, Patrolman Southavout Im, Car #212, was dispatched to respond to Miriam Hospital for reports of a subject who was shot with a BB gun and wanted to file a report.

Upon arrival, I met with [REDACTED] (DOB [REDACTED]). [REDACTED] was in room 30 in the Emergency Room and was being treated while I responded on scene. [REDACTED] stated that he is a worker of 7/11 located on 10 Dorrance Street and on Thursday morning at approximately 0200hrs, he stepped outside of the store to see if the delivery truck that he was waiting for was outside. At this time, there was a white convertible (Unknown Reg, Make, and Model of the vehicle) that was occupied 3 or 4 times was parked outside of his store. Without any warning or notice, there was a subject that pointed a rifle and shot twice at his direction. One of the shots hit him in the chest and the other being on his stomach. It should be noted that the projectiles that came out of the vehicles were later identified as BBs. After [REDACTED] got shot at, he ran back inside of his store. [REDACTED] did not call the police and continued working his shift. The subjects in the vehicle did not enter his store afterwards.

[REDACTED] responded to Miriam Hospital after being convinced to go by his sister. It should be noted that Hossain was not the one to notify police of the incident, but instead was the doctor that was treating him, Doctor O. Warren. [REDACTED] was asked several times if he had a complaint but believed that there was no need to since he has never seen the subjects before and is unable to positively identify the subjects if he were to see them again.

Doctor O. Warren stated that the projectile that hit his chest went through the skin, through the chest bone, and was sitting against where his heart was. Doctor Warren believes that the projectile will not cause any harm to him moving forward and is not going to threaten his life. Doctor Warren also stated that he was going to be sending [REDACTED] to Rhode Island Hospital for another evaluation to be sure.

It should be noted that after several attempts, [REDACTED] did not want to pursue this any further.

Detective J. Pineau was notified.

Sergeant M. Green, Car #215, was notified.

This report was turned over to detectives.

No further information from police at this time.

Det. Pineau Sup.

On 7/10/21 Detective Pineau was notified by Ptlm. Im of a Felony Assault that occurred on 7/8/21 at approximately 0200 hours in the location of 10 Dorrance Street. Ptlm. Im stated [REDACTED] was currently at Miriam Hospital being treated for injuries he sustained when he was shot by a BB Gun on the above date and approximate time.

Ptlm. Im informed me that [REDACTED] did not have a criminal complaint and did not wish to speak with Detectives. Ptlm. Im reported that Dr. Warren reported the incident to Police, not Mr. [REDACTED].

Detectives were informed Mr. [REDACTED] injuries do not appear life threatening at this time.

YSB Det Rudd

On 7/24/21 YSB Det Rudd responded to RI Hospital to inquire on the whereabouts of the victim [REDACTED]. YSB Det Rudd learned that [REDACTED] was only at RI Hospital on 7/10/21 and then discharged that same day. He is no longer at the Hospital. This is the only information that medical staff could provide police.

YSB Det Rudd Supp 2

On 7/24/21 at approximately 1705 hrs YSB Det Rudd responded to 837 Hope Street and took a recorded statement with the victim [REDACTED] (DOB [REDACTED]). [REDACTED] does not speak fluent English, his supervisor [REDACTED] of [REDACTED] assisted YSB Det Rudd during the interview by interpreting from English to Bangal and Bangal to English. [REDACTED] disclosed to police that he was shot twice early in the morning Friday July 9th between the hours of 130 am and 2am on the Dorrance Street side of the 7Eleven. [REDACTED] disclosed that after he was shot he observed three individuals in a convertible vehicle. He also disclosed that the weapon that was used was a "long gun".

YSB Det Rudd Supp 3

On 7/28/21 YSB Det Rudd faxed a medical release for the victim [REDACTED] to RI Hospital and Miriam Hospital.

YSB Supplement 1 Det. Ramos

Based on a lengthy investigation, [REDACTED] (DOB [REDACTED]), [REDACTED] (DOB [REDACTED]), and [REDACTED] (DOB [REDACTED]) were identified as the subjects responsible. They were each charged with one count of Felony Assault with a Dangerous Weapon and one count of conspiracy. (Refer to CCR# 21-51048 & 21-52314)

Subject: Vehicle Pursuit 21-52314

Sir,

On 7/9/2021 at approximately 01:28 hours, while in pursuit of a black BMW (WY REG [REDACTED]) which was a suspect vehicle involved in multiple ADW's in the city, as well as an ADW on a police officer. I maneuvered my marked patrol cruiser behind the suspect vehicle in the area of 35 Salmon St as it operated on Salmon St towards King St. The suspect vehicle had previously sustained heavy damage to the front right tire causing it to travel at a low speed. I pursued the vehicle on Salmon St as it was approaching the intersection of Salmon St and King St. The vehicle came to an abrupt halt as it crashed into the curb at the intersection. At this time, I stopped my marked police cruiser behind the vehicle. I exited my marked police cruiser with my department issued weapon drawn. I gave multiple loud verbal commands for all occupants to show their hands. I approached the front seat passenger side of the vehicle and observed the front seat passenger, later identified as [REDACTED] (DOB: [REDACTED]), to have a fanny pack slung across the front side of his torso. I opened the door and removed [REDACTED]. I took [REDACTED] to the ground and attempted to place him in the prone position. I gave him loud verbal commands to place his hands behind his back in which he did not comply as he tensed his body and concealed his hands underneath his torso. Due to the nature of the call and not knowing if he was attempting to retrieve a weapon from the fanny pack, I delivered multiple hand strikes to [REDACTED] while continuing to give loud verbal commands for him to place his hands behind his back. At this time, multiple units arrived on scene to assist and [REDACTED] was taken into custody.

Sir:

On July 9, 2021, at approximately 0053 hours, I, Patrolwoman Rosso responded to Steuben Street and Manton Avenue for a report of a suspicious person with a rifle, observed operating a blue tinted BMW 2-door 3 series up and down Manton Avenue. I observed the vehicle almost struck Pltm Voyer's vehicle at the intersection of Chaffee Street and Manton Avenue. I then observed the vehicle continue down Manton Ave at a high rate of speed and turn right on Hartford Avenue. The vehicle overtook multiple vehicles on the left. I then observed the vehicle turn left onto US-6 West. At this time, I could no longer observe the vehicle and ended the pursuit. The last known description of the vehicle and location was broadcasted via Channel 1, notifying State Police and Johnston Police.

BWC was activated.

On Friday July 9, 2021 at approximately 0115 hours I Ptlw Fernandez monitored Channel 1 for a broadcast of a black BMW, top back, with 2-3 passengers, reported to have pointed a gun at several individuals, and a Providence Police Officer. The above described vehicle was last observed in the area of East Providence. On Friday July 9, 2021 at approximately 0126 hours I Ptlw Fernandez observed a dark colored vehicle with the top back traveling at a high rate of speed on Dorrance and Washington St, passing Kennedy Plaza. At this time I Ptlw Fernandez began to pursue the vehicle, broadcasting it over Channel 1, following it alongside the Graduate Providence, passing Worchester St. I Ptlw Fernandez observed the above vehicle go around another vehicle at Dorrance and Eddy St. At this time the vehicle passed Exchange Terrace, and then through Memorial Blvd heading towards Providence Place Mall. I Ptlw Fernandez followed at a distance when I observed the vehicle take a left on Hayes St and then another left on Park St. It was at this time I Ptlw Fernandez observed a construction site ahead when the above vehicle drove through the construction site. I Ptlw Fernandez continued to follow the above vehicle through the construction site onto Promenade St when I Ptlw Fernandez lost sight of the vehicle.

7.9.2021

To: Captain R. Fernandes
From: Lt. M. Jennette
Subject: Motor Vehicle Pursuit CCR 21-52314

Sir:

During the outfirst shift on 7.8.2021 patrol units received multiple calls for suspects shooting at people with apparent BB gun rifles causing personal injury and property damage in the Manton Ave/Chalkstone Ave area of the city (reference CCR's 21-52247, 21-52248, 21-52249). These incidents are being investigated by Detective Guerra. Shortly after the beginning of the outlast shift, subjects matching this description were observed driving recklessly in various areas of the city including the West End, Manton, Chalkstone, and Smith Hill operating a dark colored BMW convertible. This vehicle was observed many times by multiple patrol units, but would immediately flee upon observing a police vehicle at high rates of speed with disregard for public safety.

At approximately 0110hrs an employee of Brown University called dispatch reporting that she had a rifle pointed at her by one or more of the subjects from inside this vehicle before it fled the area. As officers were speaking with this female, patrol units observed this vehicle on North Main St and attempted to halt it. It was at this time a pursuit of this vehicle was engaged. At this point, the suspects and vehicle were wanted for at least one count of felony assault, and in connection with the incidents reported earlier in the evening. When Ptlm. Najarian was the primary unit in the pursuit, he observed a subject in this vehicle turn around and point at rifle at him which he immediately broadcast via channel 1. A lengthy pursuit transpired after these events whereupon this suspect vehicle was lost numerous times, but was reacquired when units searched the areas it was last seen. This pursuit at one point entered into Pawtucket where they assisted; Also involved was Johnston PD as the vehicle utilized Killingly St to get from Manton Ave to Hartford Ave. Rhode Island State Police assisted as well.

Due to mechanical problems, the suspect vehicle came to a halt on Salmon St, hitting a large section of granite curbing and coming to a sudden rest against a fire hydrant where three suspects were apprehended. All suspects were juveniles; one sustained a facial laceration as a result of striking the dashboard when the vehicle came to a sudden halt. All three suspects were examined by rescue with the lacerated juvenile being transported to Hasbro Hospital. Two rifles were located inside the vehicle which were photographed and seized by BCI Detectives. Detective Guerra and Detective Proctor

worked together to charge all three juveniles with two counts of felony assault with a deadly weapon and conspiracy, and will further investigate the incidents from earlier. The operator was charged with Reckless/Eluding as well. A family court judge ordered all three respondents to be held. The three juveniles were identified as [REDACTED] - Operator, and [REDACTED]

No officers sustained any injuries. There was a minor city involved collision as a result of these events.

Sir, this vehicle pursuit falls within the parameters of the policy and RI general laws which govern it. The incidents from the previous afternoon, the felony assault on the Brown employee, and the felony assault on Ptlm. Najarian show a continuing pattern of reckless, violent behavior placing the public at risk that would have continued if our officers and those of the surrounding departments had not seen this pursuit to a conclusion.

Subject: Vehicle Pursuit CCR #21-52314

On 7-12-2021, I, Captain Roger Aspinall received paperwork from Lt. Matthew Jennette in regards to a Motor Vehicle Pursuit that occurred on July 9th. Lt. Jennette's paperwork included statements from the officers that were involved in the incident. This pursuit was initiated due to the subjects in the vehicle pointing BB rifles out the window at subjects in the city of Providence, one of which included an officer with the Brown University Police Department. There were a few incidents early in the shift where officers with the Providence Police Department observed this vehicle but did not pursue due to the disregard for public safety.

This pursuit was initiated by Ptlm. Najarian after he saw the vehicle. Ptlm. Najarian stated that he observed one of the subjects pointed a rifle at him during the pursuit. This pursuit continued into the City of Pawtucket and then responded back into the city. The pursuit was finally ended on Salmon Street after hitting a large section of granite curbing. All three subjects were apprehended, and two rifles were located in the vehicle. Due to the numerous calls of this subject pointing suspected firearms at them, including a Brown Police officer and Ptlm. Najarian, this pursuit was allowed to continue by Lt. Jennette. He allowed this pursuit to continue due to the need to apprehend these subjects for the numerous counts of felony assaults that were committed by these juveniles. At this time, I believe that this pursuit was in policy and Lt. Jennette had the authority to allow this pursuit to continue to the conclusion. Any questions or concerns regarding this matter, I am available at 401-640-7223.

Narrative

On July09,2021 At approximately 0128hrs Police were involved in an incident where there was a felony assault by a perceived firearm on a police officer and several complaints of felony assaults on civilians, of which Detectives had received complaints and were investigating. The suspect vehicle was seen by police and a vehicle pursuit ensued involving a black BMW bearing Wyoming Reg [REDACTED]. This lengthy pursuit came to a halt at the corners of Salmon and King when the black BWW crashed into some curbing and a fire hydrant. The occupants of the vehicle were [REDACTED] DOB [REDACTED] (front seat passenger), [REDACTED] DOB [REDACTED] (driver) and [REDACTED] DOB [REDACTED] (rear seat passenger). All occupants were taken into Custody.

Upon my arrival to the scene I observed several police officers from the City of Providence and the City of Pawtucket attempting to take [REDACTED] into custody. I observed these officers pulling on [REDACTED] and trying to get control of him to take him into custody. The subject was being pulled in different directions so I then took control of the scene and began to give verbal commands for an officer to handcuff the subject. Officer Diaz did not hear my commands at which time I grabbed a hold on him and pulled him back in order to facilitate the handcuffing. I continued to give commands to place [REDACTED] in hand cuffs, which was done almost immediately after I issued these commands. Once the scene was under control I told officers that were not involved in the incident to get back in to service. (see police report 21-52314) All subjects that were in the Black BMW were ordered to be seen by rescue personnel and were transported to Hasbro Children's Hospital for a medical evaluation due to their involved in the motor vehicle accident.

Once at Central Station I was informed by Officer's Colicci, Diaz, and Voyer who stated they used physical force on the [REDACTED]. As such, AIR reports and witness statement were completed. On a later date, I observed Body Worn Camera footage from several officer's cameras from the scene at the time of the incident. I observed Officer Colicci and Officer Diaz give serval hand strikes to [REDACTED]. I observed Officer Voyer use a pressure point on the bottom the jaw line of [REDACTED] to gain compliance. Also, after further review of BWC, I observed Officer Diaz bend his body over near were [REDACTED] was on the ground and spit on the floor. Based upon my investigation this incident should have further review.

Patrol (Probationary) NEFTALIE ORTIZ CARRASQUILLO

On 7/9/2021 at approximately 0147 hours I, Officer Croft (307) was advised that Providence Police were in pursuit of a black 3 Series BMW with a Wyoming registration after the vehicle ran a Providence officer off of the road and was also actively shooting a rifle at responding officers.

The vehicle entered Pawtucket via Route 95 North and took the School Street exit (Exit 28). After a brief pursuit through the city, the vehicle then got back on to the highway via Route 95 South. I joined the pursuit on Six Bridges at Silver Spring Street in Providence. I assisted in the pursuit, driving through multiple streets in Providence. I was behind approximately two to three Providence Police cruisers during the pursuit. Due to the narrow residential streets, the fact that the vehicle was damaged and the absence of long open roads, the speeds of the pursuit ranged from approximately 40 - 50mph. Officer Calabro called pursuit out over the radio (Refer to Officer Richard's narrative for more information).

The pursuit concluded after the aforementioned vehicle collided with a fire hydrant at the intersection of Salmon Street at King Street in Providence, RI. I, with multiple other officers, converged on the vehicle with our weapons drawn, ordering the occupants [REDACTED] out of the vehicle. The front passenger, [REDACTED] was taken to the ground by a Providence officer and was actively resisting arrest by flailing his arms and kicking his legs. I then straddled [REDACTED] legs and grabbed a hold of his right arm in an attempt to secure it behind his back. I repeatedly told [REDACTED] to stop resisting. [REDACTED] then rolled over on to this back, exposing a fanny pack slung across his chest. [REDACTED] was fighting my grip on his arm and it appeared as though he was reaching for the fanny pack. Through my experience and training, I know fanny packs are used to carry firearms. Due to the presence of a fanny pack and the nature of the call I was concerned that [REDACTED] was reaching for a firearm. I was then able to turn [REDACTED] back on to his stomach, using his bodyweight to pin the fanny pack to the ground while I attempted to secure his right hand. [REDACTED] continued to resist and I then delivered approximately four closed fist strikes to the right side of [REDACTED] back, with the desired effect. I secured [REDACTED] right hand behind his back and another officer took control of [REDACTED] right arm and hand while I removed the fanny pack from [REDACTED] person. I then disengaged from the scene in an effort to remove a possible firearm from the situation while multiple Providence officers took [REDACTED] into custody. I searched the fanny pack, with negative results for weapons. The fanny pack was then turned over to a Providence officer on scene.

I was advised on scene that after a search of the vehicle was conducted two rifles were located, which were later determined to be "BB" guns.

Sgt Silva (311) arrived on scene at this time. I then stood by with Providence officers to help establish a perimeter around the scene. I was then cleared by Sgt Silva and returned to Pawtucket.

A Pursuit form and a Subject Aggression / Resistance form was completed for this incident.

NARRATIVE FOR PATROL (PROBATIONARY) NEFTALIE M ORTIZ CARRASO
Ref: 21-3416-OF

On 7/9/21 at approximately 0147 hours I, Officer Ortiz (305), along with multiple members of Pawtucket Police Department's third platoon were advised by Pawtucket Police Dispatch that the Providence Police Department is actively in a high speed pursuit with a black BMW, that was driving and shooting a rifle at responding officers.

Pawtucket Police Dispatchers were updating officers of the location of the vehicle pursuit and stated that they were currently on I-95 North. Myself, 306, and 309 were instructed to stage at 6 Bridges in the event the chase would enter Pawtucket.

I then observed the suspect vehicle travelling at a high rate of speed northbound on I-95 fleeing from multiple Providence and State police officers. I then entered the pursuit at approximately 0148 hours with my emergency lights and sirens activated. The pursuit led through multiple streets in Pawtucket, Providence, and the highway ranging from 40-50mph with light traffic. Please refer to Officer Richards narrative for the specific information regarding the route of travel for the chase.

At the conclusion of the pursuit I observed the suspect vehicle crash into a fire hydrant at the intersection of Salmon Street and King Street in Providence. I exited my cruiser and removed my department issued firearm from its holster and pointed it at the suspects in the suspect vehicle and began to give verbal commands to the suspects. I then approached the suspect vehicle along with multiple officers on scene. I then grabbed one of the suspects, [REDACTED] and pulled him out of the vehicle and placed him on the ground, I then placed him into custody and secured him in the rear of the Providence Police cruiser. While securing [REDACTED] in the rear of the cruiser I did not observe any physical injuries nor did he complain of any at the time I was with him. Departments report for further information of the incident (21-52314-CCR).

I observed two rifles located in the vehicle by the center console, that were later determined to be "BB" guns by Providence Officers.

I was later cleared from the scene by Sgt. Silva

I completed a subject aggression/resistance form.

On July 9, 2021 at approximately 0148 hrs, I, Officer Tessier (Car 304) along with all Third Platoon Officers were dispatched to the area of 95 Northbound in reference to Assist Outside Agency. Dispatch stated that Providence Police was pursuing a vehicle that had attempted to strike a Providence Police Officer and later pointed a rifle and shot at the Officers out of the window.

I joined the pursuit of the suspect vehicle Pond at School St. I followed multiple State Police, Providence Police Cruisers, and Pawtucket Cruisers onto 95 Southbound. I continued to follow the cruisers into Providence where we took exit 25. While following all Cruisers, there were no areas to safely terminate the pursuit due to vehicles coming from every direction. The pursuit came to an end Salmon at King St., at which point I was cleared by Sgt. Silva.

On 7/9/21 at approx. 0147 hours, I, Officer Richards (Car 309) along with Officer Calabro were dispatched to the area of six bridges as dispatch advised us that Providence Police was involved in a pursuit with a dark colored BWM that drove at a Providence Police cruiser attempting to run them off the road. Dispatch also advised us to use extreme caution as the vehicle had a rifle out of the window and was shooting at responding officers.

Officer Calabro and I responded to the 95 North six bridges on ramp, observed the suspect vehicle at 0148 hours and joined the pursuit. We activated our overhead lights and sirens and followed the vehicle on 95 North to the school St exit. The vehicle traveled southbound on School St traveling approx. 55 MPH. The vehicle entered a parking lot after the intersection of Beverage Hill Ave, drove over a curb and began traveling northbound on School St traveling the wrong direction. The vehicle turned right onto Chestnut and left onto Prospect St where we were able to identify the registration at Wyoming [REDACTED]. The vehicle continued northbound on Prospect St before turning right onto Main St and onto 95 South. While following on 95 South the suspect front passenger tire blew out as we passed Exit 25 traveling approx. 65 MPH. The tire and debris from the vehicle began flying back towards pursuing cars. While behind the vehicle the back seat passenger turned around and was facing out of the rear window. Believing the passenger was going to start firing through the back window at us in desperation since their vehicle was starting to become disabled, we slowed down and advised everyone to use caution.

The vehicle took exit 25 South and took a left onto Silver Spring St where now Providence was the lead car through their city. The vehicle took the following turns while pursuing through Providence. West on Branch Ave, turn onto Hawkins, turn onto Ascham, turn onto admiral, turn onto Douglas, turn onto Clym, turn onto Pembroke, turn onto Hill Top, turn onto Whitford, turn onto Wabon, turn onto Academy, turn onto Whitford, turn onto Mt. Pleasant, turn onto Buford, turn onto Montrosem turn onto Erastus, turn onto Atwells, before crashing into a fire hydrant on Salmon St. Officer Calabro and I exited our patrol vehicle where Officers already had the occupants of the vehicle out of the vehicle and on the ground. While approaching the scene, Providence Officers were instructing the front seat passenger [REDACTED] to stop resisting and I observed him to be squirming around on the ground. At this point, [REDACTED] was face down and I knelt next to his right side and grabbed his right arm and held it behind his back to make it easier to cuff him. While grabbing his right arm I observed it to be bleeding. [REDACTED] was handcuffed and helped off of the ground. I returned back to the vehicle to see if further assistance was needed anywhere else.

Sgt. Silva arrived on scene and was appraised of the facts and circumstances. A search of the vehicle by Providence Police produced two rifles, which were later determined to be "BB Rifles." We were cleared from the scene without further incident. I completed a Pursuit Form and a Subject Aggression/Resistance form in Guardian.

On July 9, 2021 at approximately 0148 hrs, Car 308 (Jesse and Mobrince) along with all third Platoon officers were dispatched to the area of 95 Northbound in reference to Assist Outside Agency. Dispatch stated that Providence Police was pursuing a vehicle that had attempted to strike a Providence Police Officer and later pointed a rifle and shot at the Officers out of the window.

We staged at the Exit 27 (School St off ramp), we then observed the suspect vehicle come down the off ramp directly towards our cruiser but it abruptly turned right onto School St. At that time we entered into the pursuit along with State Police, Providence Police cruisers, and Pawtucket cruisers on School St. The suspect vehicle was then able to turn his vehicle around in the business parking lot and began driving the wrong way on School St eventually turning onto Chestnut St. to Prospect St. and onto 95 Southbound. We continued to follow the cruisers into Providence where we took exit 25. While following all cruisers, there were no areas to safely terminate the pursuit due to police vehicles from multiple agencies coming from every direction and also several Providence cruisers were blocking intersections. The pursuit came to an end Salmon at King St. where the suspect vehicle crashed into a fire hydrant. We assisted Providence officers secure the scene while they installed crime scene tape. Sgt. Silva arrived on scene and cleared us.

On 07/09/21 at approximately 0148 hours, I, Officer Calabro and Officer Richards (Car 309) along with other third platoon units assisted Providence Police with a high speed motor vehicle pursuit through our city and through Providence. Refer to Officer Richard's narrative for more information.

At the conclusion of the pursuit the suspect vehicle crashed at the intersection of Salmon St and King St in Providence. I exited my cruiser and ran towards the vehicle. I saw multiple officers struggling to gain control of a suspect, later identified as [REDACTED] on the ground on the outside of the passenger side of the vehicle. I could see [REDACTED] flailing his legs and attempting to gain a position to stand. I went over to [REDACTED] and placed my hands on his legs with my weight pressing down on him so that he could not move. [REDACTED] was then handcuffed and secured by Providence officers.

I completed a subject aggression/resistance form.

On July 9, 2021 at approximately 0147 hours, Pawtucket Control Center advised 3rd Platoon Officers that Providence Police was in pursuit of a dark colored convertible with Wyoming registration plates that was travelling in the direction of Pawtucket, RI. Pawtucket Control Center advised us that Providence Police was pursuing this vehicle due to the occupants firing a Rifle at Providence Police as well as attempting to drive them off the road. Updates from Control Center advised 3rd Platoon Officers that the vehicle was travelling North on I-95 headed towards Pawtucket.

While some 3rd Platoon Officers joined the pursuit of the vehicle on I-95 N, I was short-posted on Cottage Street near the I-95 N on-ramp in case the vehicle continued northbound on I-95. While I was waiting on Cottage Street, Officer Calabro (Cruiser 309) advised over the radio that the vehicle exited the highway via the School Street exit. At this point in time, I began heading towards School Street via Division Street in order to monitor the pursuit if it began travelling Eastbound on Division Street. Officer Calabro again advised over the radio that the vehicle had continued Southbound on School Street.

At this time, I began travelling Southbound on Prospect Street in an attempt to observe the vehicle at the intersection of School Street and Beverage Hill Road. It should be noted that Prospect Street is a one way street (Northbound) and that I was travelling the wrong way. There were no other vehicles on Prospect Street besides Police Cruisers. As I approached Beverage Hill Road Officer Calabro advised that the vehicle had turned around and was travelling the wrong way on School Street which is a Southbound only travelling road. I positioned myself on Prospect Street at this time. As I approached Beechwood Avenue, Officer Calabro advised that the vehicle had turned onto Chestnut Street and was headed towards Prospect Street.

I observed the vehicle turn left onto Prospect Street from Chestnut Street without stopping at the stop sign and begin accelerating. The vehicle was affixed with Wyoming Registration [REDACTED] (possibly [REDACTED]). I observed there to be 3 (three) occupants in the vehicle; a driver, a front passenger, and a rear passenger. At this point in time, I was the lead vehicle in the pursuit. Cruiser 309 became the secondary vehicle and took over all radio communication. I observed a black male as the rear passenger who continually looked back at me as I was pursuing the vehicle with my Emergency Lights and Sirens activated. I followed the vehicle Northbound on Prospect Street through a red light at the intersection of Prospect Street and Division Street. The vehicle continued Northbound until turning right (Eastbound) on Main Street. The vehicle then took the I-95 South exit. While taking the exit the vehicle hit the curb and momentarily drove through a patch of grass at that location. As we continued Southbound on I-95 the rear passenger continued to look back towards me.

While travelling Southbound on I-95, the vehicle's front right (passenger) tire was smoking as a result of striking the curb at the on-ramp. Cruiser 309 passed me at this point and became the primary vehicle in the pursuit. Due to the pursuit beginning in Providence and the pursuit currently being on the highway, I allowed Providence Police and Rhode Island State Police cruisers to surpass me. I continued following at a safe distance. The vehicle continued fleeing from Police through various streets in Providence, eventually crashing and coming to a stop at the intersection of Samon Street and King Street. At this point in time, I exited my cruiser and ran towards the location of the crash and observed several Providence Police Officers detaining the occupants of the vehicle. I stood by temporarily as a large crowd immediately began to form outside of the apartment complex directly adjacent to the crash location. After a very short period of time, a Providence Police Sergeant advised me that they had enough Officers on scene and no longer required Pawtucket's assistance. Myself and select other 3rd Platoon Officers were instructed by Sergeant Silva that we were to clear and head back to Pawtucket. At this time, I drove back to Pawtucket.

On July, 9, 2021 at 0147 hours, I, Officer J. McCabe (Car 306) was advised by Pawtucket Police control that Providence Police was currently in pursuit of a black 3 Series BMW with a Wyoming registration. Dispatch stated that the suspect vehicle was shooting at Providence Police officer's with a rifle. Dispatch advised that the vehicle had just entered 95 North and was travelling in the direction of Pawtucket.

I staged my vehicle on the on ramp to 95 north from Smithfield Ave. I then observed the suspect vehicle as well as multiple Providence Police cruisers travelling north on 95. I activated my emergency lights and sirens and joined the pursuit at speeds approxiamtely 60-65mph. I assisted in the pursuit as a secondary vehicle as the vehicle exited the highway via School St at speeds of 45-50mph. I continued on in the pursuit as a secondary vehicle through Pawtucket until we reentered 95 South. I continued in pursuit as we exited 95 via the Smithfield Ave exit into Providence. The pursuit came to a stop at the intersection of Salmon St and King St where the vehicle became disabled. I exited my police vehicle and observed that all suspects were being taken into custody.

A pursuit form was completed in Guardian for this incident.
